

CORPORATE SPONSORSHIP – LET’S MAKE MUSIC TOGETHER!

OUR MISSION:

For twenty-two the Fairfield County Children’s Choir has provided children the opportunity to experience making music of the highest caliber. From the beginning the Choir has promoted music as a community and cultural link by encouraging participation from all economic and social backgrounds and by promoting collaboration with musicians from around the State, around the country and around the world.

In order to encourage diversity, the Choir has committed to keeping tuition at a level that is much lower than the national or State average for comparable Choirs. The Fairfield County Children’s Choir has provided financial aid to all accepted students who requested it since its founding. Through the FCCC outreach program, Bridges through Music, the FCCC has partnered with Bridgeport educators to respond to the needs of urban youth. These students participate in auditions and those that are accepted into the Choir receive full tuition, music and uniforms.

Your sponsorship helps offset expenses, but more importantly, your generosity extends the benefits of choral instruction to youth that would otherwise not be able to participate.

YOUR BENEFITS:

Depending on the level of sponsorship your Company chooses, benefits may include:

- Recognition in promotional materials
- Recognition in our email newsletter
- Online link from our website to yours
- Opportunity for signage at events
- Complimentary advertising in our concert program
- Complimentary tickets to our season concerts

The choirs of the FCCC serve over 300 children from fourth grade through high school. Our concert attendance is drawn from throughout Fairfield County, as well as neighboring areas. The FCCC also collaborates with other choirs and orchestras throughout the area such as the Civic Orchestra of New Haven, The Bridgeport Symphony Orchestra, Norwalk Youth Symphony Orchestra, the Fairfield County Chorale and the Connecticut Chamber Singers. The FCCC was also featured in the commercial for the Smilow Cancer Center at Yale.

Your sponsorship helps to ensure that our world-class program remains a vibrant, diverse and thriving part of the community.
