

# FCCC Concert Attire

## Size Chart

### Girls

**Measure** snugly around bust, waist and hips as shown in diagram. Always order by the largest of the three measurements.

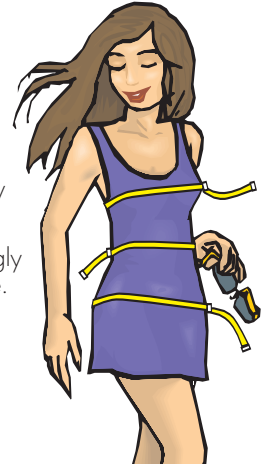

*If in doubt, always go up a size - a uniform that is slightly big can be worn or taken-in, however, one that is too small cannot.*

**Dresses should be hemmed** to 1/2 inch off the floor with appropriate shoes on, leaving a large hem to allow for next year's growth.

**BUST Size** Measure snugly around fullest part of bust.

**WAIST Size** Measure snugly around the natural waistline.

**HIP Size** Measure snugly around fullest part of hips.

#### YOUTH DRESSES

Size	5	7	9	11	13
